

PRESS RELEASE

May 27, 2010.

There's a New Park in Town!

Whistler RV Park and Campground joins Riverside as the only RV and tenting parks in the Whistler Area.

WHISTLER/VANCOUVER - The newly opened Whistler RV Park and Campground is pleased to announce that it has joined the Whistler Chamber of Commerce. Whistler RV Park and Campground is excited to be a part of the Whistler community and adds over 100 RV sites and 36 tent sites to Whistler's previously scarce RV and campsite inventory. With the Olympic sized renovations that were undertaken on Highway 99, Whistler is even more of an ideal location for an RV trip.

Whistler RV Park and Campground is a year-round RV and camping destination located in Whistler, British Columbia. Situated on 104 acres close to Brandywine Falls and less than 15km from Whistler Village. Whistler RV Park and Campground was designed to host 102 fully serviced and winterized RV sites. RVers can book deluxe back in sites and premium pull through sites serving RVs up to 60 feet and any amperage. The park also provides 36 forested tent sites with privacy and fabulous mountain views.

As an opening season special, any RV guest who books two nights at Whistler RV Park and Campground between now and June 30th will receive an additional two nights free of charge!

During the summer season between May 1st to September 30th, RV sites are priced at \$43 Canadian dollars per night. All RV site rates include full hook-ups and complimentary internet access.

Whistler RV Park and Campground's tenting area welcomed campers in mid-April and will be open through September. During the tenting season, campers can book a site for \$26 Canadian dollars per night. The Campground area features heated washrooms and complimentary hot showers. All RV and tent sites feature a picnic table and fire pit.

Whistler RV Park and Campground also offers storage options for RV's, boats, snowmobiles and ATV's. Call for rates and specials.
